CELEBRATIONS

When your child has a special celebration (ex. birthday) and you want to give the class a treat you must:

- OK it with the classroom teacher first
- Let the school office know what day and time was agreed upon with the teacher
- Drop the treat off at the main office for the teacher to distribute to the class at the time that works best with their schedule that day

We can not have families coming into the school and have a "party". Please respect these rules.
