

Our Lady of Peace School

DRESS CODE

The uniform policy fosters an environment conducive to learning and respectful behavior. Final decisions regarding the school uniform rest with the principal. OLOP sponsors a used uniform sale once a year.

This is usually held at our Back To School event.

Children should dress appropriately for weather conditions including boots or change of shoes for snowy days. Hats and gloves are to be worn for cold weather because children will go outside for recess in cold conditions. Some days, considering temperature and wind chill factors, students will be outside for shorter periods to provide a fresh air break.

School Uniform Policy (Grades K through 5)

There is no uniform policy for Preschool

Parents: Please review this policy with your children. With your assistance you can avoid the inconvenience of being called to bring the appropriate clothes for school. If you are in need of financial assistance for uniform purchases, please contact the school office.
