Boys' hair is to be off the collar and no longer than the ear lobes or eye brows. Also for boys, no facial hair or earrings are permitted. For girls, shoulders are to be covered; the garment must be clearly visible in the photo selected for the yearbook. No spaghetti straps, halter tops, sleeveless tops, or cleavage. The top needs to be a solid color. Central's dress code prohibits facial piercings for both boys and girls.

Remember, only James Wood senior pictures will be published in the yearbook. There is no cost to get your yearbook headshot.
